

St John's School

Sports Funding Allocation

April 2024- March 2025

Allocation of Sports Funding grant at St John's C of E Primary School Lemsford

The government introduced a new funding grant in September 2013 to strengthen opportunities for sport in school.

Details of the amount our school will receive for year 2024/25 and its proposed allocation can be seen below. Funds have been allocated in accordance with the Sports Funding Action Plan.

Allocation for 2024/25

Total allocation for St John's C of E Primary School April, Lemsford
April 2024 – March 2025

£16870

St John's will continue to use the funds to promote high quality coaching and access to a range of sporting and competitive activities.

How the money will be spent:

- Part of the funding buys into the Welwyn Garden City Sports Partnership which runs inter school activities both competitive and coaching; training and support for staff; training child play leaders to run lunchtime activities.
- Part of our funding provides our weekly football/netball/multi-skills and athletics coach for our after school activities which are free and open to both girls and boys
- PE Apprentice who supports the high quality delivery of PE throughout the school

The remaining allocation will be spent on further developing excellence in PE in our school and may include:

- Supporting CPD for staff
- External coaching and outdoor activities
- Providing new equipment to enhance provision of PE at St John's
- Funding coach transport when needed for attendance at sporting activities
- Funding well-being and mindfulness opportunities
